RESPONSE TO OFFICE ACTION

Sir:

This communication is filed in response to the Office Action mailed September 6, 2006. The claims stand rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over U.S. Pat. No. 6,647,242. Without agreeing with the Examiner, and simply to advance the prosecution of the subject application, a Terminal Disclaimer is attached herewith. It is respectfully suggested that the case is now in condition for allowance. No extension of time in which to file a response is believed necessary. However, if an extension of time is required, please consider this a petition therefore and charge any additional fees which may be required as set forth below. No additional claim fee is due. Please debit the Terminal Disclaimer Fee to Deposit Account No. 09-0025. In addition, please debit any deficiency to Deposit Account No. 09-0025 as may be required in connection with the submission of this Response. IN NO EVENT CAN THE ISSUE FEE BE CHARGED TO THE DEPOSIT ACCOUNT.

It is further noted that the Examiner has accepted the drawings submitted with the application. However, formal drawings were mailed and then received by the Office on February 17, 2004. It is respectfully requested that the formal drawings be entered for printing with the patent document.
